

Flynn & O'Hara Uniforms was founded 38 years ago, with 15 customers and a mission to provide exceptional service. 12 of the 15 customers are still with us (the other 3 have unfortunately closed). These customers have stayed with us because of our ability to adapt to change, to avoid problems and our penchant for solving problems that can't be avoided.

On-Line Ordering

Our on-line Ordering system guarantees that the student will get the exact uniform your school requires.

Our secure site creates an individual page for each student’s order. No more jumping from page to page. Parents can order from the convenience and comfort of their home.

In-School Sale Day

A popular option for delivery is the In-School Sale Day. This is an especially easy method of delivery for parents and administrators alike. Flynn & O’Hara takes the store to your school. We bring the inventory to the school, and set up an actual store with the plain and customized products. It is a cash/charge and carry. Any orders that cannot be filled at the Sale Day will be shipped directly to the customer’s home free of shipping charges.
