St. Agnes Medal Ceremony

On Sunday, October 25, singers should come for rehearsal to the Lower Hall (behind the Cathedral) at 2:00pm. Please be on time! The entrance is located at the same entrance as the Parish Center, but use the elevator or stairs to go down one floor (it is located under the gym). Only bring with you the music that we are scheduled to sing – please leave everything else in the car, since we will be processing over to the Cathedral. Please remember to leave enough time to find parking, etc. You may use the school lot on Clinton Avenue if you wish. Dress code for the men is White shirt & tie with a dark suit, and ladies are asked to wear all black – dresses or skirts preferred. Please make sure shoulders are covered and avoid low neck lines.

Choir Renewal Forms and Availability Forms

Please remember to return your renewal form and availability form (which was on the back of your renewal form) as soon as possible. Please be sure to double check your contact information on the renewal form (email addresses, phone numbers, etc.). This information allows us to contact you in case rehearsal or event is cancelled at the last minute. Our availability form is important so we know who is singing for the various events. We are in the process of making plans for our upcoming events, and need to confirm seating, etc.

Fundraising for the England – Ireland Trip

For those who would like to participate, there will be an organizational meeting for all those interested in helping with fundraising for the trip immediately before our next rehearsal (October 19) at 6:45pm. We will meet in the small choir room. Fundraising can significantly reduce the cost of the trip for each singer that participates. Bring your ideas, and your willingness to lead one of the projects!

2016 Diocesan Pilgrimage to England & Ireland

Final plans are underway for our 25th Anniversary Trip, which will be June 30 – July 8, 2016. This trip is for choir members, family members, friends, and other interested singers. Our nine day choral pilgrimage will include singing in London for Mass at Westminster Cathedral, and concerts at several other locations in the London area. In Ireland we will sing St. Mary's Pro-Cathedral, as well as Kilarney. Other tour highlights in London include a River Cruise on the Thames River and an option to attend a play in London's famous West End. Our time in Ireland will include the Cliffs of Moher, Killarney, and Dublin. Brochures are still available, although the final list of those going is in its final stages. For those already registered, the second payment for those going is being delayed until we have a final count of how many are going. We only need a few more to join us, and then we can drop the price of the trip!

Happy Birthday Wishes
