

About Sauder Worship Seating

Secure in our Past

Since 1934 we have been a family-owned, privately held company.

Here to Serve You

We are the largest worship seating manufacturer in the world. Having been entrusted by over 35,000 congregations with their seating needs.

Made in the USA

We manufacture our worship seating in the US from the finest hardwoods - we are not a dealer and we sell direct to you.

Our Pews

We offer the largest selection of standard wood species in the industry (Red Oak, White Oak, Maple, Cherry, Black Walnut and African Mahogany). Choose from a wide range of pew body styles and pew ends or consider a custom design.

Our Chairs

We provide a wide selection of standard styles with the ability to customize and modify basic chair models. Personalize your seating by selecting from over 35 fabric patterns in a broad range of updated colors and 14 stain colors. Custom stain match and COM fabrics can also be accommodated.

Our Altar Furniture

Choose from standard pieces or our artisans can create beautifully hand crafted solid wood custom furniture to your unique specifications.

Our Kneelers

We manufacture and upholster our own wood and metal kneelers.

Our Commitment to You

- Aggressive discount structure for our Oaklok and Vantage style chairs.

Oaklok

Vantage

- Personal on site service for any size project.
- Representative Kevin Carrier is available seven days a week for on site meetings.
- Free shipping included in all quotes.
- Regular review with your purchasing office to discuss products, pricing, and parish needs to guarantee that we continue to meet the expectations of the Long Island Catholic Community.
