

## **DRVC Young Adults:**

*Are you looking for a mass with vibrant and faithful young adults & contemporary music?*

If so, please join the Campus Catholic Parish of Long Island at one of our masses held at a nearby college. Just because you don't go to that college or you've graduated already doesn't mean that you can't worship with us at one of these amazing masses.

You are always welcome!

***Check out our Parish schedule below!***
