

NOUVEAU ELEVATOR
Raising Your Life

WHO WE ARE: Nouveau Elevator is the largest independent elevator service organization in metropolitan New York. We have more than 6,000 elevators in our care -- including many of the most high-demand, high-profile environments throughout NYC, NJ, and Long Island. Nouveau Elevator Inc. employs 500 professionals and has been in business for over 29 years, providing superior elevator/escalator solutions to all of our key clients throughout the tri-state area, from high-rise commercial and residential buildings, to private schools, colleges/universities, churches and hospitals.

WHAT WE DO: We offer all aspects of vertical transportation support including;

- New construction
- Maintenance
- Modernization
- Repair
- Monitoring and Reporting
- Safety
- Code Compliance
- 24x7 / 365 day a year servicing

... AND always a live operator for any and ALL in-bound calls to our Servicing Dept. Group!!!!

We handle all manufacturers and models, spanning all current and upcoming elevator technologies to best suit your wants and needs. Plus, we use only the latest state of the art equipment and technology for all of our jobs. Safety, service and satisfaction are our top priorities for each of our valued clients.

WHY WE ARE BETTER: At Nouveau, we have the same expertise, sophistication and muscle as all of the traditionally perceived big guys do to perform any job needed, *however our unique structure* allows us to be on-site almost immediately, without any of the red-tape or time-consuming processes that come with other providers. We are a dedicated family owned business, who ensures that ALL of our clients are serviced accordingly, and none of our clients are ever lost within the shuffle. No job is too big nor too small for our team. Our commitment is to serve each of our building's vertical transportation needs better than any other company, to ensure that people can always get to where they need to be, safely, timely, and hassle-free.

PRICING: Nouveau Elevator offers pricing guidelines for maintenance contracts, upgrades, etc., based on the equipment coverage required. Nouveau will provide a maintenance or modernization quote at no charge, however Nouveau must inspect the equipment prior to providing any pricing. Please call us any time to schedule a free survey and estimate for any of your elevator needs.
