

NATIONAL ACCOUNTS PROGRAM

Who we are: Since 1883, Benjamin Moore has been committed to producing the highest quality paints and finishes in the industry – and especially those products that minimize our impact on the environment.

Our National Accounts Program Features:

- Program product price discounts start at 25% for all DRVC locations
- Consistent pricing on all orders through Customer Care
- 37 Local Benjamin Moore stores at your service.
- Free interior design help to customize your paint specifications
- Free local delivery – no minimum
- Complementary sales reporting
- Products ready where and when you need them
- Complementary color tools such as sheen charts, color fan decks and painting problem solvers
- Zero VOC products ideal for occupied spaces

Key Contacts:	Connie Green	Call: 877-623-8484	Fax: 630-784-7639
	Doug Hahner	Call: 877-623-8484	Fax: 630-784-7639
Hours:	8:30am – 5:30pm		

An additional 10% discount is given off our already aggressive National Accounts pricing when you place your order through our customized Customer Care team. You then have the option of picking up your order at a local retailer or having it delivered directly to a convenient job site.

Working with our in-house and dedicated team of architect and designer representatives offers you professional product and design subject matter expertise.

- Ensure the best products are specified for each application
- Make the best color or sheen selections for your needs
- Customize specifications and color finish schedules
- Choose the right product for your project
- Design services are complimentary

We also offer monthly or quarterly sales reports. **Track your purchases!** Reports can be tailored to include line item product purchasing details.

Combining this expertise, Benjamin Moore will customize sales and product sheets based upon the defined individual needs of each facility, department or agency to improve ease of ordering and to support product, color and sheen consistency across your organization.

Granger is your comprehensive source for facility maintenance products
