Quality & Selection

Ideal offers hundreds of top quality products from many of the top suppliers in the industry. This allows us to offer many different price points and a huge product line. Many of our products are even guaranteed for one year by their respective manufacturers. Ideal stocks shoes, backpacks, gym wear, hair accessories and much more giving your school the consistent look it deserves.

We vow to deliver our absolute best

Each product that Ideal offers goes through an extensive testing process to ensure that the quality meets or exceeds the customers' expectations. If any product is not as described we will take it back no questions asked.

Unique orders

If the store is out of stock in any item, customers may back order that item to be shipped at a later date. Customers may track their orders via phone or email.

Silk-screening & Embroidered Options

Many of our accounts require garments with a custom logo. At Ideal we strive to provide our customers with the fastest and most efficient service that they desire. Each year we customize thousands of garments, well before school opening to ensure that uniforms are available when your families need them. Our in-house embroidery and printing center allows for on the spot uniform customization for even the latest of shoppers.

Inventory and Manufacturing

Ideal services hundreds of schools nationwide which enable us to maintain a rich inventory. We stock a wide range of colors and styles year round to accommodate our vast customer base. We maintain an extensive inventory for each individual school uniform program year-round. By doing so, we dramatically reduce the possibility of students violating the schools dress code. Ideal also manufactures many of its own products to ensure that your families receive the best pricing and quality.

Faculty Discounts

Faculty members receive a 10% discount every time they shop at Ideal Uniforms.

Fast and Friendly Service

Legendary service not a thing of the past

All of our retail locations are open 7 days a week year round moreover; we have extended summer hours to ensure that uniforms are available prior to school opening. In addition to its stores, Ideal has a separate full service order facility to ensure all online, school and phone orders are delivered in a timely manner. Our experienced customer service representatives have electronic access to all order information and can assist your families with any questions or concerns.

Affordable Pricing

In today's climate affordable pricing allows for easier uniform enforcement by administration. We work with DRVC schools on each garment offered to ensure that we are working within the budgets of their enrolled. We also provide generous discounts to families in need.

Online Ordering

Ideal creates a custom website for each of it's accounts to ease the online ordering process for your families. No more fishing through sites to find a logo or school code. Everything your students need is available under one link giving your families an easy and convenient online shopping experience.

In School Measuring & Sale Dates

On select days throughout the school year ideal will bring the store to your school! This allows families the convenience of purchasing uniforms without having to travel to one of our retail locations. Equipped with registers and a ton of product your families are sure to be pleased with this service.

Product Warranty

We offer a generous return and exchange policy. If an item is unworn and in its original condition we will accept it back within one year of the original purchase date. Many of our items are even guaranteed to last the full school year or they will be replaced. Full refunds are given on cancelled and unprocessed orders. Any item returned in its original condition may be exchanged for size, color, or full refund.
