- Carry all types of lighting technology
- Specialize in energy efficient products.
- Offer NY State Contract Pricing for Diocese of Rockville Centre Properties
- Provide turn-key services to make lighting simple & cost-effective.

Lighting Services we offer:

- Lamp and Ballast Replacement Programs
- Recycling
- Energy Rebates
- Schedule and On-Call Lighting Maintenance
- Construction Services
- Energy Consultation and Retrofit Solutions
- Design and Specification Services

Benefits we provide:

- Local distribution center allows for shipment in 1-2 days
- Customer-focused IT team provides custom IT & reporting solutions.
- Approximately 80% of our 260+ employees are dedicated to some form of customer service resulting in excellent service to our clients.

We sell more than just light bulbs!

- Lamps- All Technologies
- Ballasts
- Fuses
- Batteries
- Exit Signs
- Fixtures
- Lighting Accessories
- Fans
- Recessed Lighting
- Emergency Equipment
- Sockets
- And more!

Regency Lighting has grown into one of the largest commercial lighting service and distribution companies in the country. While much about Regency has changed over the years, one thing has remained constant - *our unwavering commitment to providing the highest levels of customer service in our industry.* We are privileged to have the opportunity to work with The Diocese of Rockville Centre to help reduce your operating costs- saving you both energy and money.

Contact Ron Sciacca to discuss your specific lighting needs.
