

Waldner's

Business Environments
Certified Women's Business Enterprise

Product. Service. Support.

Waldner's Business Environments, Inc. is a full service Office Furniture Dealership. Since our founding in 1939, Waldner's has earned a reputation for cultivating strong, long-standing partnerships with our customers. We are a third generation **woman owned enterprise** and a family operated organization with over **70 years of proven experience and leadership**.

In addition to a full range of products to suit every work environment, Waldner's offers numerous services dedicated to see our clients through their projects and assist in the maintenance and management of their investments for years to come. Regardless of client locale, growth rate or business need, Waldner's dedicated and responsive team works with clients to create strategies that enable our customers to make good business decisions and effectively manage their workplace. We have dedicated professionals that are informed and educated in sustainability and design and can help clients select products that will contribute to LEED certification as well as provide the data necessary to achieve certification.

We work with clients to create an environment that supports their business activity, engages their unique culture and inspires performance.
