Natural Gas Program for the Diocese of Rockville Centre (DRVC) and all its Parishes and Diocesan Entities

ASC Energy Services, Inc. is proud to announce our natural gas offering to the DRVC and all of the Diocesan Entities. Through this program, you can take advantage of this special rate for natural gas. This program is designed to help you manage your energy budget.

About ASC Energy Services

ASC Energy Services is an Energy Service Company (ESCO) approved by the New York State Public Service Commission and licensed to sell electric and gas commodity. ASC Energy has been servicing customers on Long Island since 2010 and we have an A Plus rating with the LI Better Business Bureau. ASC Energy's Management Team has over 30 years' experience in the energy industry. Their years of experience analyzing energy markets allows ASC Energy to give their customers firsthand knowledge on how to manage their energy budget. Our mission is to use our expertise, experience and agility in the energy markets to assist our clients in controlling their energy costs.

Program Details:

To all Parishes and Diocesan Entities that sign up, ASC will provide a NYMEX + fixed adder of \$.1699 per therm. This is an aggressive price structure that will assist you managing your energy budget. The switch to ASC is seamless and without risk. Please review the list of benefits below:

Customer Benefits:

- Reliability & Delivery: ASC customers receive the same high-quality energy with the same reliability of delivery. National Grid will continue to deliver the gas commodity as it always has.
- Single Billing: National Grid continues to read the customers meter and invoice the customer. (Please Note - The monthly bill from National Grid will list ASC Energy Services as the commodity supplier and payments will continue to be made to National Grid).
- Customer Service: National Grid will continue to answer and respond to service and emergency calls. In other words, your point of contact regarding your gas remains the same.
- No long-term commitment: If you are not satisfied in our month to month agreement, you can cancel anytime
- No Fees: There is no cost to sign up and there are no costs to cancel

Dedicated Account Representative

ASC prides itself on our friendly customer team. Our team is led by Geniene Vasquez who will be the dedicated account representative for the Diocese of Rockville Centre.

To sign up and start saving now, or to learn more contact Geniene Vasquez at 631-750-5200 or geniene@ascenergyservices.com. She will be happy to set-up an appointment and walk you through the seamless registration process.
