ELEMOSINERIA APOSTOLICA

OBTAINING PAPAL BLESSING PARCHMENTS

To obtain a Papal Blessing parchment, visit the official Vatican website at:

www.elemosineria.va/papal-blessing-parchments/

and follow the online ordering process. Requests are made for specific occasions, such as weddings, birthdays, or anniversaries, and require details like the names of the recipients, the date and location of the event, and a parish priest's recommendation. You can also visit the Office of Papal Charities in Vatican City to request a blessing in person.

The parchments cannot be requested by post or fax or email, but only in person at the Office of Papal Charities or with the online procedure.
